EDGAR ALCOLEA

SOFTWARE ENGINEER

EXPERIENCE

Software Engineer

[Bumerang](#) | [Apr 2022](#) | [Barcelona, Spain](#)

In charge of two mobile apps built from scratch with React Native for Android and IOS devices, performed code maintenance, reviewing and refactoring. Making decisions based on business needs, designing new features and uploading production builds to store platforms.

Full Stack Developer

[ISDI Coders](#) | [2021 - 2022](#) | [Barcelona, Spain](#)

Web development bootcamp where I built several full stack projects in Javascript on fully tested code using Jest, React testing library and Cypress, ensuring good practices and SOLID principles. (+1000h)

Freelance Video Editor

[Edgar Alcolea](#) | [2018 - 2022](#) | [Los Angeles, USA](#)

Self taught editor using Adobe Premiere, Illustrator and After Effects for audiovisual productions, I built my own website with WordPress and offered my recording and editing services to international clients.

Business Class Cabin Crew

[Emirates](#) | [2013 - 2017](#) | [Dubai, UAE](#)

Delivered the world awarded Emirates Airline customer service in premium cabins onboard Boeing 777 and Airbus 380 aircrafts. Responsible for safety checks, fire fighting, attention to detail and security.
